

Pre-Primary Summer Camp!

Your child is invited to our Pre-Primary Summer Program.

This program is designed especially for two-to-three year olds, and gives children the opportunity to explore a wide variety of creative activities outdoors as well as in their "special little room." The class will be a combination of new and continuing students and is a great opportunity for transitioning new students who have already turned two. The mornings will be filled with arts, crafts and nature. Over the summer, the children will bake fresh fruit pies, make delicious ice cream and design their own "thumb-print bug" t-shirts. Sand and water play, group games and songs, finger plays and felt stories will delight the children each day.

Children must be at least 2 years old to enroll.
